

MUHAMMAD NABIL MA'RUF

Samarinda, Kalimantan Timur | muhammadnabilmaruf@gmail.com | 082155203678

PROFILE

Information Systems student with strong analytical and problem-solving skills demonstrated through academic projects and leadership roles. Strong background in IT, data, and digital systems, with effective communication, time management, and teamwork skills. Demonstrated leadership and active participation in student organizations and experienced as a speaker in academic events.

KEY SKILLS & COMPETENCIES

Skillset – Analytical Skills, Critical Thinking, Problem Solving, Planning, Presentation, Time Management, Flexibility.

IT Skills – Data Analysis, Data Engineering, UI/UX Design, Graphic Design, Front-End Web, Database Management System, Data Visualization, SQL Query Optimization

Programming – Python, HTML, CSS, SQL

Toolset – Google Colab, Kaggle Notebook, Adobe Creative Suite (Illustrator, Photoshop, Premiere Pro, Lightroom), VSCode, GitHub, Figma, Notion, Draw.io, Data Modeller, Oracle APEX, BPMN.io, Pandas, NumPy, Tableau

LANGUAGE

Indonesian – Native Proficiency

English – Intermediate Proficiency

EDUCATION

Mulawarman University – Samarinda,
East Kalimantan
Faculty of Engineering / Information System
GPA: 3.94/4.00

August, 2023 – Present

WORK & INTERNSHIP EXPERIENCES

Laboratory Assistant Dasar Pemrograman

August 2024 – Jan 2025

Mulawarman University

Faculty of Engineering, Information System

- Delivered structured Python programming instruction for first-year students, improving understanding of variables, control structures, and basic algorithms
- Guided students through hands-on coding labs and debugging sessions, supporting timely completion of laboratory assignments
- Introduced flowchart-based problem-solving methods, helping students translate logic into executable code
- Provided continuous academic support that increased student confidence and engagement during lab sessions

Laboratory Assistant Konsep Basis Data

Feb 2025 – Jun 2025

Mulawarman University

Faculty of Engineering, Information System

- Facilitated database laboratory sessions for second-year students, covering DBMS fundamentals, SQL, and relational database concepts
- Guided students in designing Entity Relationship Diagrams (ERD) and implementing relational schemas
- Guided students in completing SQL queries and database design tasks efficiently within practicum timelines.

- Enhanced practical understanding of database systems through guided exercises and structured laboratory materials.

Coordinator Laboratory Assistant Sistem Basis Data

Aug 2025 – Dec 2025

Mulawarman University

Faculty of Engineering, Information System

- Coordinated all Database Systems Laboratory Assistants
- Liaised with lecturers responsible for the Database Systems course
- Designed and structured the overall practicum modules and learning workflow
- Facilitated Database Concepts laboratory sessions for third-year undergraduate students
- Taught advanced Database Management Systems, including data and information management.
- Instructed students in SQL Language (DDL, DML, DCL, TCL, JOIN) for data manipulation and retrieval
- Assisted students in completing hands-on SQL practices, database design exercises, and laboratory assignments

ORGANIZATIONAL EXPERIENCES

Vice Leader, Department of Communication and Media Information

Feb 2025 – Jan 2026

Information System Association (INFORSA)

- Coordinated and supervised all members of the Media and Information (COMINFO) Department
- Managed and held full responsibility for INFORSA's official media platforms
- Planned, directed, and monitored content production and publication across organizational media channels
- Ensured consistency of branding, visual identity, and communication strategy for INFORSA

Staff, Department of Communication and Media Information

Feb 2024 – Jan 2025

Information System Association (INFORSA)

- Coordinated team design
- Managed and served as a designer for INFORSA's official media platforms.
- Served as event coordinator for INFORSA flagship event "APLIKASI 2024"
- Acted as Mentor for GEARS FT UNMUL 2024 program.

Staff, Department of Communication and Media Information

Jan 2024 – Jan 2025

BEMKM Mulawarman University

- Coordinated and maintained partnerships with external and internal media partners
- Managed and served as a graphic designer for BEMKM Mulawarman University's official media platforms
- Collaborated effectively with student representatives from multiple faculties to support university-wide program
- Contributed as a committee member of PKKMB Universitas Mulawarman 2025, supporting event coordination and media-related activities

HONOR, AWARDS & ACHIEVEMENT

- **Speaker & Presenter, Design and Visual Communication Training** – *University level and inter University events*
- **3rd Place of National Business Plan Competition EWC** - *University Mulawarman, Faculty of engineering*
- **Qualified in International Student Summit on Malaysia** – *Sentosa Fondation*
- **Qualified top 50 of 200 team in Digihack 2025** – *Digistar Telkom Indonesia*
- **2nd Place of Debate Competition** – *University Mulawarman, Faculty of engineering*

LICENSES AND CERTIFICATION

Certificate of Completion in Learning Basics of AI <i>Dicoding</i>	October, 2021
Certificate of Completion in Learning Machine Learning for Beginners <i>Dicoding</i>	October, 2021
Certificate of Completion in Learning Basics of Deep Learning <i>Dicoding</i>	October, 2021
Certificate of Completion Building Advanced Deep Learning Projects <i>Dicoding</i>	October, 2021
